# CLUBS WEEK BRINGS STUDENTS TOGETHER

With the beginning of another busy school year, students were scattered in search of their corner in school. Clubs week brought it all together on September 26-30. This week of club advertisements and sign ups gave students the opportunity to get involved and meet others with their same interests. Thanks to the excellent planning of Clubs officer David Brook, the week was a success, keeping students involved and informed.

#### '79 GETS RINGS

Juniors had the date of October 19 circled on their calendars since their sophomore year. That was the day they were excused from morning classes to receive their class rings. They were treated to a free breakfast in the cafeteria, consisting of french toast, orange juice, sausage and milk. This gave the Juniors an opportunity to show off their rings and begin the good luck tradition of having their rings turned 79 times. Junior Commission worked hard to make the ring breakfast enjoyable for their fellow classmates.

# "THIS ONE'S FOR YOU"

The Baron football team added the final ingredient to make the 1977 Homecoming festivities a perfect success. After remedying a power failure in HBHS Stadium that delayed the kick-off for thirty minutes, the mighty Barons had no trouble defeating Marina's Vikings 48-21. Halftime entertainment was centered around Baron Royalty as fans and friends anxiously awaited the announcement of the 1977 Homecoming King and Queen. The elegant Newporter Inn provided a romantic setting for the formal Homecoming Dance which was held on October 22.

### "GET ROWDY"

October 15 through October 20 was set aside as Spirit Week. Chairperson Melody Diehm set out to get the Baron Spirit rolling. Lunchtime activities included a dunking booth, where for a mere 25¢ you could attempt to dunk a member of the Homecoming Court. Pies were auctioned off to the highest bidder. Mr. Antal's music students forked over \$15 and Key Club spent \$10 in order to "cream" Mr. Lacey. Tricycle races, bubble gum stretches and jello eating contests rounded out the lunchtime activities. The highlight of the week was the pep assembly on Friday and the Homecoming Dance and Game.

# BARON ROYALTY HONORED

The process of selecting the Homecoming Queen and King is a long and nerve-wracking one for all involved. After the field is narrowed down to ten Queen and King semi-finalists, the entire student body votes for five finalists each for King and Queen. The day before the Homecoming Game, the students vote again, this time for only one King and Queen. The King and Queen are announced that night at the Homecoming Game. The following night they begin their reign at the formal Homecoming Dance. The 1977 Homecoming Court was Queen Tina Bekas, Princesses Lori Decker, Barbara Lipot, Anna Newton, Linda Von Hatten, King Joe Valdez, Princes Gary Bohay, Todd Dean, John Nicholson, and Doug Thompson.

#### EDISON OVER EASY

Spirit and pride were at an all time high on October 28, the day of the Edison-Fountain Valley football game. Pepsters spent the previous night decorating the school with streamers and banners. "Barons Are No. 1" was one of the early greetings Edison's Student Senate received as they arrived for the third annual Fountain Valley-Edison Student Government Breakfast.

#### WE'VE GOT THE BELL!

Our mighty Baron Gridders beat Edison 6-3 on October 28 before a record crowd of 15,429 fans at Anaheim Stadium. The Victory Bell goes to the winner of the annual contest between Edison and Fountain Valley, and, for the first time since the tradition was started in 1975, WE'VE GOT THE BELL! Willie Gittens scored in the last two minutes of the game to dash the Charger's victory hopes and send FV fans sky high with pride as the Barons posted their biggest psychological win of the season.

# "RAIN" SHINES IN BOWL

Beatles sound-a-like "Rain" visited FV campus during Activity period on Nov. 9. They performed songs from early Beatles albums as well as the later works. Rain's visit was a welcome interruption in the school day. The bowl was completely packed as Rain became the most popular band to perform at FVHS. They performed such Beatle favorites as "All My Lovin," "Yer Birthday," "Revolution," and "She Came In Through The Bathroom Window." They also performed the following Friday at a night concert in the gym.

#### **BARON PRIDE**

Skits, stunts and tricks added humor and variety to the pep assemblies. After everyone was packed into the gym, the Varsity Football team made their usual grand entrance. Sharing the spotlight with the Baron Gridders were the Water Polo teams and Boys and Girls Cross Country. The Pepsters outdid themselves by tricking football players into eating caramel coated onions, impersonating Newport Harbor's cheerleaders, and promoting spirit and pride. FV's Marching band provided a steady beat during cheers and concluded each assembly with the Alma Mater. Drill Team and Banner Squad performed routines to popular songs such as "The Theme From Rocky," and "Turn the Beat Around." Pep Officer Wendy Hilles was on hand to introduce speakers like Dr. Berger.

#### THE TEMPEST

Under the direction of Mrs. Carole Cooney, the Drama Department took the FV campus by storm with their production of Shakespeare's "The Tempest." The show was a complete success with a unique set and a live original score. A magical island, a grotesque monster, drunken sailors, and a beautiful princess all added to this enchanting production.

# CHRISTMAS SPIRIT REIGNS DEARLY

'Twas the week before Christmas and the little elves of FVHS were cheerfully participating in the many activities sponsored by the Holiday Week Commission. Included in the festivities were the door decorating contest, the traditional mistletoe hunt, a performance by the Troubadours and goodies such as carameled apples, and balloons. Student Council held a free raffle, in which two names were randomly drawn from all students enrolled at FVHS. Each student won a twenty-five dollar gift certificate at Sears. Holiday Week came to a close, with the annual Christmas Dance, held in the cafeteria. The Disco beat brought a joyous end to a spirited week.

Goin's on included dancin' to the music of Higher Ground, takin' a hayride 'round the field and the parking lot, and smoochin' to qualify for a kissin' license. After gettin' a kissin' license couples could get hitched for the evening by "Marryin' Sam." During the band's break, FV's own Nashville Straights played some real knee-slappin' music. "The Sandbox" starred Mary Geck, Craig Johnson, Keith Staley, Diana Dean, and Rosie Dunagun, and was directed by Dawn Haukland.

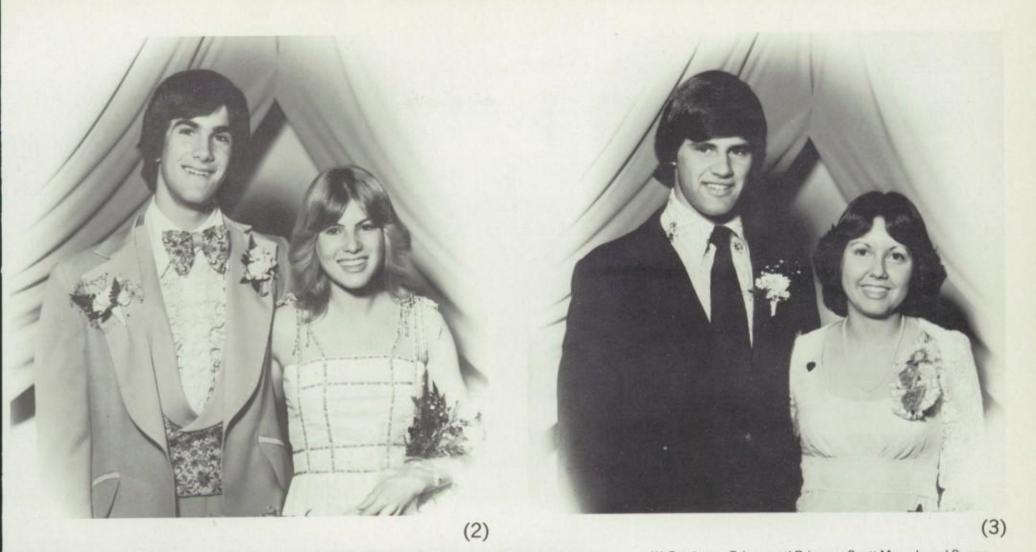

### POEMS, PRAYERS AND PROMISES

Costa Mesa Country Club was the setting of the 1978 Valentine Dance. "Ramon" provided the dancing music and also got the students involved in the entertainment. Girls League did a great job in providing refreshments and in selecting the Valentine's Court. Five girls and five guys were chosen as finalists in each class, and were voted on through a school-wide election. The Valentine's court included Senior King Todd Dean, Senior Queen Linda Von Hatten, Junior Prince Russ Heidesch, Junior Princess Karen Pikulin, Sophomore Prince Andy DeLuca, Sophomore Princess Beth Lunetta, Freshman Prince Scott Morsch, and Freshman Princess Susan Tully.

#### OFF TO SEE THE WIZARD

Fountain Valley High School's drama department was proud to present, "The Wizard of Oz" as this year's Spring Musical. The play, adapted from the novel written by Frank Baum, was recreated through many weeks of rehearsals, set building, and costume design. The characters of Oz were brought to life through the magic of make-up, and the artistry of creativity. The plot involved a young girl, Dorothy, her journey through an imaginary land, and the adventures that she encountered there. As important to the play as the actors themselves, were the people behind the scenes. Included in these were students David Brook who directed the play, and Ron Valdez who arranged the original music.

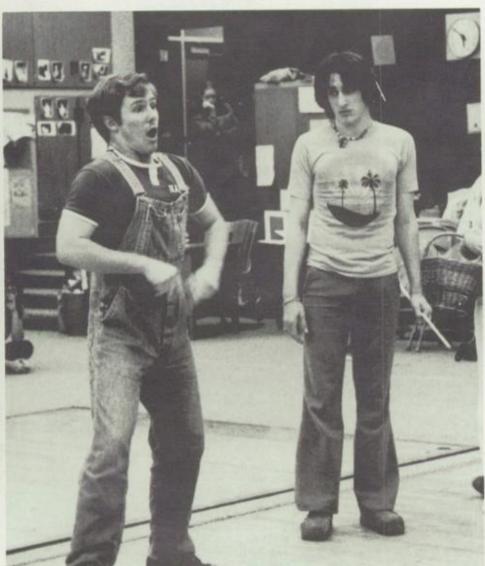

(1) Director David Brook explains blocking and theory to actors. (2) Dorothy meets her first companion, the Scarecrow. (3) Colleen Mahan clowns around at rehearsals. (4) "Do my bidding little bridge," cackles the wicked witch. (5) Tinman discovers a startled Lion.

#### FASHION '78

Styles for 77-78 took on a new flair. For the girls, the look was soft with a touch of class. Pastel floral skirts, satin bow neck blouses, and boots combined to create a unique yet stylish ensemble. Stick pins and other assorted golden accessories adorned the various colored cowl neck sweaters. Guys remained with the ever popular denims, T-shirts, ski sweaters, and the newest addition to the casual look — velour shirts and Angel Flight pants. As for shoes, Nike, Adidas, and Earth Shoes were a standard form of footwear. The newest hairstyle for the girls was the bi-level. Permanents gave hair a natural looking wave which was often accompanied by a beautifully decorated comb. For the guys, hair was either feathered back, or in a natural curl.

#### SHADES OF 1977-78

Fireside chat, Energy proposal, Hubert Humphrey, Elvis Presley, Star Wars, Satin, Mid-East Peace, King Tut, Dallas Cowboys, Coal Strike, Record Rainfall, Punk Rock — all these are synonymous with 1978. These are the events that shaped the year and molded the memories we have of that time in our life. Farewells were made to some very special people in 77-78. The King of Rock and Roll, Elvis Presley, the king of crooners Bing Crosby, and the "king" of Minnesota, Hubert Humphrey all passed on. One King still going strong in '78, after about 4000 years was King Tut. An exhibition came to LA with the boy King and all his treasure on display. Tutmania hit LA, and tickets to the 4 month long exhibits went for as much as \$40. 1978 was a year for talking. President Carter spoke to the nation in a "fireside chat." Israel's President Begin and Egypt's President Sadat talked toward peace and former President Nixon talked to David Frost for 12 hours while the nation listened. Beatlemania was in the spotlight again in the 70's but these Beatles were impostors. A stage play about the 60's featured these Beatle look-a-likes on Broadway and in LA. Two former Orange Countians shared the entertainment spotlight in '78. Diane Keaton was popular in both comedy and dramatic roles. Steve Martin's cult following quickly expanded until everyone was quoting, "I forgot" and "excuuuuuuse me." On the local scene when things were going good it was "cassh"; if not, "gag me" or "gross" expressed the idea. People really got into the sounds of Rock bands from Britain like Zeppelin, Styx, Rod Stewart, and Queen. In fact Queen's "We will rock you/We are the champions" single topped the charts. Styx "Grand Illusion" and Stewart's "Footloose and Fancy Free'' were popular LP's. Punk Rock came and went. Students enjoyed movies such as Star Wars, Julia, and Saturday Night Fever. Everyone was home in time to catch Saturday Night Live and the "Not Ready for Prime Time Players." "Four-Wheelin" and off the road vehicles were a favorite recreation. There was more to remember in '78 than just another school year.

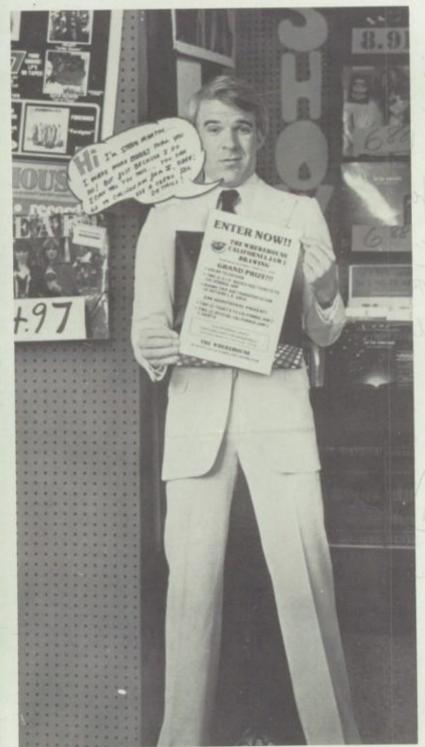

(1)

(1) Boston, Kansas, and Aerosmith were a few top recording artists of '78. (2) Everyone went "fun-truckin" in jeeps and off-road vehicles. (3) "Night Fever" swept the southland. (4) "Stevel How can you be so funny!?" (5) After some 4000 year absence, King Tut made an encore appearance in L.A.

## LORIE YOUNGER, LINDA NELSON NAMED TOP STUDENTS

The highest honor awarded to any student at Fountain Valley High School is to be selected as Student of the Year. This year, Lorie Younger and Linda Nelson were chosen to represent FVHS as Students of the Year. Lorie has served in Student Government for the past three years. In her sophomore year, she held the position of Recording Secretary. Junior year, Lorie served as Student Campus Concerns Officer and this year she served as the Associated Student Manager. Lorie had been involved with Class Commissions and Marching Band since her freshman year. Linda has also been a member of Marching Band as well as serving as this year's Executive Council Vice-Chairperson and as Lt. Governor of Keywanettes. Linda was President of Keywanettes in her junior year and she was awarded the Girl's Service Coronet Award. Both Linda and Lorie have contributed significantly to FVHS Student Body and well deserve the honor of 1978 Students of the Year.

THROUGH LEAGUE

The 1977-78 Varsity Basketball team highlighted the season by increasing their Sunset League winning streak to 21 games. Their greatest accomplishment was that of matching last year's 10-0 record championship for the second straight year. The Barons continued to be one of the dominant basketball teams in Orange County and were highly rated all season. The team won many tournaments and had numerous players named to All Tournament teams. Senior Roger Holmes had another great year as he led the team in scoring and rebounding. He set new Baron records for single game, season, and career scoring totals. Mike Heide, Mike Israelsky, Chris Mack, Charlie Reiff and a string bench led by Stan Shibata, Mugsey Eppelheimer, and Scott Simon all molded their talents together with Holmes to form an outstanding championship team. Holmes, Heide, and Reiff were named to All Sunset League teams and Holmes also made All Orange County for the second straight year.

### VOLLEYBALL...DIG IT!!

The 1978 Varsity Volleyball team experienced a rebuilding year. Coach Lovelace felt the team could surprise many and hoped to have a strong season as they faced many top teams. The team's greatest strength was with the middle blockers who were Dave Greenleaf, Dan Haskell, and Tom Gregory. Frank Real and Robert Harris were both strong outside hitters. The JV team had outstanding hitters in Mike Greenleaf, Scott Southwick, Brent King, and Kevin Anderson while Drake Turner and Ray Gubernick were good setters.

## VARSITY TENNIS, FOOT LOOSE AND FANCY FREE

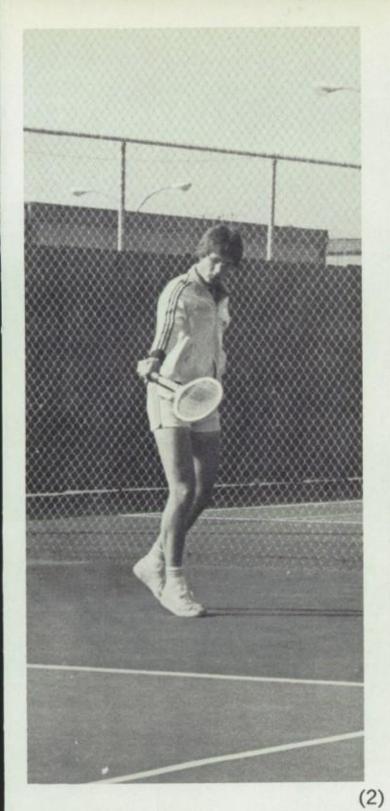

The 1978 Varsity Tennis Team was made up of eight experienced players, all of whom possessed a balance of power and finesse so needed in Sunset League competition. This year, rather than having just one or two top players, the entire team was extremely strong. Coached by Neil Snowden, the Varsity Tennis team was one of FVHS' most talented.

JV and Frosh/Soph Tennis teams were under the assistance of coaches Delvaux and Byrd. Both were surprised with the young team's potential this season. The coaches feel that the teams were extremely strong and there will be some promising JV and Varsity players in the years to come. As young as the teams were, they put out a very good season and will be back for an even stronger season next year.

# COUNCIL **EXECUTES DECISIONS**

Eight hard working elected students plus one ASM and one Senate President comprise FVHS Executive Council. This council is the top facet of Student Government. Working under the leadership of Chairpersons Matt Belgen (first semester), and Todd Dean (second semester), Council greatly benefited FVHS. By going to leadership camp this past summer, the Council picked up some new ideas to start the year off right. Sponsoring Spirit Week and the Homecoming Dance were two of the many activities the Council hosted. Their highlight of the second semester was the completion of the Student Store. Executive Council provided the guidance and leadership needed for an effective program.

# ADMINISTRATION ACHIEVES GOALS

Student Administration is a group of students working with the Executive Council. After being interviewed by the Council, the selected students are appointed to the various positions. Each department concentrated on the many problems facing Student Government. Communications Department was responsible for relaying information to the students. This included morning announcements, campus publicity, and newsletters. Concerns Department represented FVHS at school board meetings, along with being in charge of school elections. Activities Department was responsible for assemblies, banquets, dances and sockhops. Lorie Younger chaired the Associated Student Manager in Executive Council Administration meetings.

# BAND HAS SUCCESSFUL SEASON

Fountain Valley High School Marching Band began its twelfth season with a tremendous showing at the Placentia parade where they took the Sweepstakes Award. They continued in this same manner with award winning entries at Colton, Santa Monica, and Lancaster parades. The pride of Baron Manor entertained the crowds at football halftime shows with their rendition of Star Wars, Rocky, and the old favorite Mr. Touchdown. 1978 was truly a success for our marching band.

# DRILL TEAM SHOWS PRECISION

Drill Team dazzled audiences with their flashy smiles and creative dance routines. The highlight routine of the season was Star Wars, for which they received a standing ovation. They showed their dedication by rising early Saturday mornings to march in 105 degree heat in Placentia and the pounding rain in Santa Monica, where they placed fourth in one of the largest reviews in the west. These girls also traveled many long hours to compete in a half-time tournament and parade in Lancaster, where they received the highest parade score in the last four years. Drill Team also performed at pep assemblies, basketball halftimes, at Magic Mountain, and at Disneyland. The Drill Team's hard work and hours of practice really showed throughout this past year.

# HALFTIME PERFORMERS KEEP A STEADY BEAT

The 1978 Banner Squad added color and excitement to the home game half-time shows. Banner performed routines with the band and the drill team and were featured in solo routines as well. In addition to accompanying the band in parades, the Banner Squad helped to promote spirit and pride at pep assemblies. Drum Major John Hoefler was responsible for guiding our marching band to their twelfth award winning season. The comic relief at most football and basketball games, and pep assemblies was due to Terry Nisco.

## CHOIRS HAVE HARMONIOUS YEAR

Concert Choir is formed of auditioned voices only. During this past year, they went to Knott's Berry Farm, and, during the Christmas Holidays, caroled for shoppers in the Westminster Mall and South-Coast Plaza. All groups shared the joys of Christmas through their annual Christmas Concert for which they performed for a packed crowd at Huntington Beach Auditorium. Concert Choir, Les Chanteurs, Baron Choir, Trebel Choir, and Troubadours made an album entitled "Winter Wonderland." The Baron Choir consists of only male voices, and Les Chanteurs consists of only female voices. Concert Choir traveled to Orange Coast College for a day of evaluation from which they received an outstanding rating. All choirs are under the direction of Thomas Antal and Jerri Frietag, accompanist.

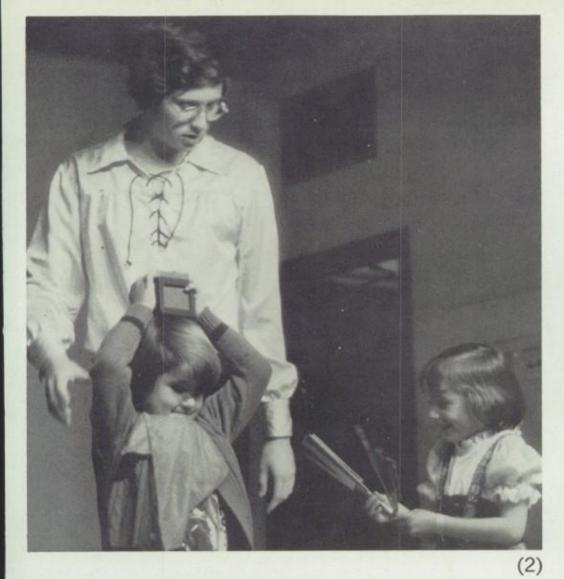

## TROUBADOURS MAGIC CLUB GO PRO

Troubadours consists of the top selected voices chosen from Concert Choir. This ensemble's range in music goes from the spirituals and folk tunes to the top recording artists of today. They entertained for several organizations and clubs this past year, and were also featured in the album "Winter Wonderland." Magic Club was open to any FVHS student having a desire to become a part of the world of magic. They performed for civic groups and charities. The activities this past year were highlighted by a show in May where they joined together with professional magicians for a night of magic at Huntington Beach Auditorium.

# DRAMA, THESPIANS SHOW PRODUCTIVE YEAR

Drama Club is an organization open to any student interested in Theater Arts. This past year, Drama Club attended plays at UCI, OCC, and South Coast Repertory Theater. They ushered at school plays and provided refreshments during intermission. Drama Club also produced a lunchtime variety show entitled "Ham on Rye." Thespians is an international society that has its own chapter at the Fountain Valley High campus. These hard working drama students had to earn points to be admitted in this club. They earned points by acting in plays and working behind the scenes. 1978 was a successful year for the Drama and Thespian organizations.

### HELPING OUT ...

Key Club under the direction of Advisors Stephen Byrd and Barry Barton, proved to be one of the most successful clubs on campus. Key Club was dedicated to serving the school and community to the best of their ability. Their many service projects included completing the island in the parking lot, serving at banquets, and donating time and energy to the March of Dimes. Key Clubbers also spent many Saturday afternoons helping out at Fairview State Hospital, President Rob Schofield was on hand to insure order at Wednesday night meetings. Keywanettes, the sister club to the Key Club, is under the direction of Mrs. West and President Sue Pemberton. During the Homecoming Week they sold mums to students or teachers at FVHS, and also sponsored the annual Christmas Dance. Keywanettes served at banquets, breakfasts, and visited old folks' homes. This club is truly an asset to our school and community.

### **CLUBS HAVE FUN** IN THE SUN

The 1977-78 Backpacking Club journeyed to various mountains and sites such as Grante Mt., Providence Mt., Lake Meed, and San Jacint. Mr. Kittrell advised the backpackers on certain techniques and safety cautions. This past year's Sailing Club was affiliated with the Explorers Sea Scouts of Newport. Sailers were taught the fundamentals of sailing while the more advanced polished their skills for a smoother and daring ride. The Environmental Club this past year was into beautifying and preserving our schools' and community's environment. This club was under the leadership and skillful plans of Mr. Hubb.

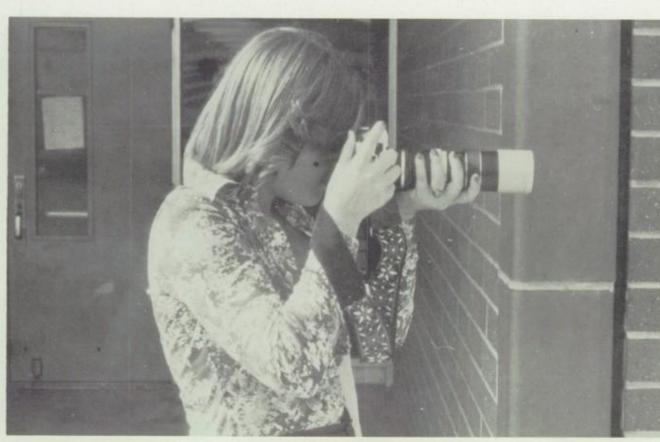

# GIRLS' LEAGUE, PHOTO CLUB CONTRIBUTE TO SCHOOL

An encouraging way for most freshmen to begin the school year is at the "Big and Little Sister Picnic." This was only one of the many events sponsored by Girls' League. In addition to the annual Valentine's Dance, they also sold the popular Santa Grams during the holiday season. Girls' League's support of school activities was a great asset to the school year. Photo Club meetings allowed students bitten with the camera bug time to use the facilities available at FVHS. Creativity and quality were two things members strived for in all their work.

## INDIAN, MECHA STUDY CULTURE WHILE CHAIN CREW PASSES IT ON

Chain Crew greatly benefitted our football teams by measuring yardage at J.V., Sophomore and Freshman games. The "Chain Gang" ran the ball on the field every play during the Varsity games. They were a great asset during the season. Mecha Club is a service club in the bilingual department. They had several fund raisers such as car washes and selling Mexican food. With the money they raised, they sponsored several scholarships for graduating Seniors. Indian Club helped interested students learn more about the American Indian culture. They took trips to museums and studied to improve their knowledge of the American Indians.

## COMMISSIONS STRIVE FOR BEST EVER

This year's Homecoming Commission worked hard the first few weeks of school to insure successful Homecoming festivities. Spirit Week was highlighted by a faculty pie throw. Homecoming Half-time featured the first king court along with the traditional queen court. The Homecoming Dance at the Newporter Inn proved to be one of the major events at F.V.H.S. this past year. Planning the most attended high school event is not to be taken lightly. The six girls on Prom Commission started working on the 1978 Prom way back in June of 1977. Location bids, band, flowers and the date are just a few of the things the girls had to decide on when planning the Prom. Thanks to the Prom Commission, "Memories" was the lovliest Prom

International Club helped our Foreign Exchange Student Lennart Furufors feel welcome at FVHS. By showing him around our campus, International Club helped out whenever they were needed. Bowling Club made good use of their talents by bowling every Monday at Fountain Bowl. A trophy was awarded to the student who bowled the highest game of the season. Strike after strike, the FV bowlers concluded their season.

# PRACTICE CULTURE, BARONETTES SCORE

A lot of planned and then cancelled activities were part of German Club. However, the hard working students and Mr. Reinhard managed to hold car washes, picnics and beach parties. As for French Club, they had many interesting experiences such as their scrumptious French crepe feast and their Christmas party. They also watched French films and had dinner in French restaurants. Baronettes did an excellent job keeping stats for our basketball teams. The statistics helped the coaches and the players know what skills they had to work on.

## SPEECH FBLA WINS AWARDS

This year's Speech and Debate Team, under the direction of Mr. Jim Cafario, was one of the best in F.V.H.S. history. The "Baron Mouths" attended tournaments at U.S.C., Loyola, Redlands, Cal.
State Fullerton, and many other places.
In the past few years the Future Business Leaders of America, under the advisement of Mr. Dennis Gitchier, has had several State Champions in Typing. The annual State-Wide Convention highlighted this year's activities.

## SKI AQUATICS THE ULTIMATE SPORTS

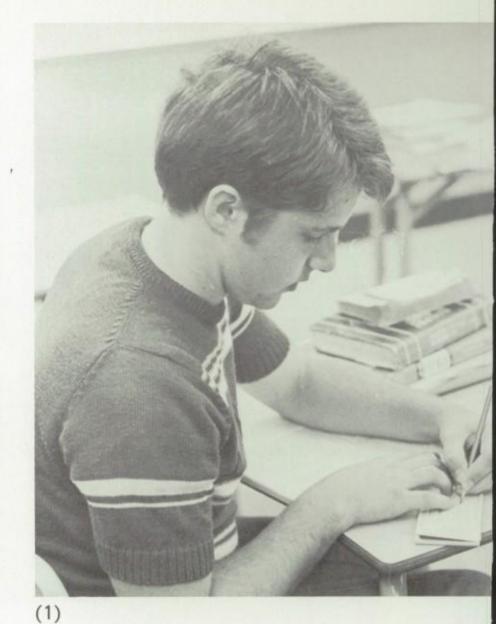

Both Ski and Aquatics Clubs were a major highpoint at F.V.H.S. this past year. Ski is known for their annual trips to Mammoth, Squaw Valley, Utah and various other resorts. Their weekly meetings were highlighted with ski movies which provided a chance for beginning skiers to learn the fundamentals of skiing, while the more experienced members polished up their act.

Aquatics Club had an overwhelming amount of attendance this year as opposed to past years. Their beach parties, body surfing trips and surfing at the wedge highlighted this past year's activities. Aquatics members did an excellent job in boosting water sports.

# SPANISH, LATIN CLUBS EXPLORE NEW WORLDS

"What's going on?" That was the general attitude surrounding this year's Latin Club. During the year, Mr. Beirne, along with a handful of dedicated Latin students, participated in a variety of activities which included Latin debates and projects on ancient Greece and Rome. Spanish Club kept themselves busy this year with their annual Piñata construction for the holiday season, meetings and trips to various places like Olvera Street. Fund raisers included car washes and buñuelo sale at lunch.

## STUDENT SENATE HAS SUCCESSFUL FIRST YEAR

The Student Senate was a new form of Student Government initiated by Executive Council.

The sixteen senators represent sixteen different districts around campus. Their chief concern was improving communications by making sure the announcements were heard in each room. They also assisted with elections and Holiday Week. If Student Senate's first year was any indication of their success, they will be around for a long time.

## TALENT DOMINATES LE MOT STAFF

Six editors, eleven staff writers, five photographers, two illustrators, and one advisor couldn't think of a cute and/or creative way to describe the 1977-78 Le Mot staff. It is probably apparent that they are a sophisticated and highly articulate group of people who produce the school newspaper from the depths of Room 127 each month. They modestly admit to being the most talented Le Mot staff in the history of F.V.H.S.; however, they could do a better job if the man with the white coat and net would let them work without their straightjackets.

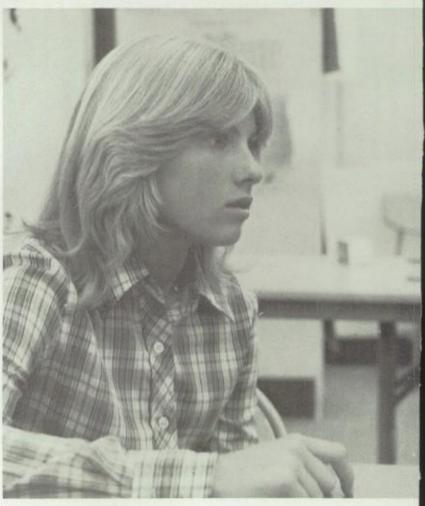

#### WE'RE SO VAIN WE PROBABLY

Most of the dedicated yearbook staff literally burned the midnight oil in order to produce the 1978 RACONTEUR. Under the guidance and leadership of a new advisor and a new editor, the Raconteur staff spent many untold hours in room 129, cropping pictures, writing copy and eating lunch. Even through the unbearable strain and pressure of deadline days, the staff came through with flying colors and flying fists. Fortunately, sanity was quickly restored and the staff prepared for another deadline and eventually their end of the year banquet.

EDITOR'S NOTE: It is my sincere hope that the Racontuer '78 will help you to remember the unique time that is 1978. There are many people who have directly or indirectly affected the outcome of this book. My appreciation and admiration goes to the following people: Miss Margo Parkins for seeing this production through and becoming a treasured friend; Mr. Bob Ferguson for giving us almost complete "carte blanche" and for the birthday lunch. Mr. Steve Eddy for his patience, understanding, and boyish good looks; Mr. Ken Duddridge for his lifesaving negatives; Hall Photography for their assistance; Henry DeCambra for his excellent photography and his Steve Martin immitations; Mr. Marshall Hirshman for his exceptional photography used in the opening section; Kimball Hall and Alan Nozaki for their extra efforts in photography, above and beyond the call of duty; Nancy Aldrich for the quality and thoroughness of her work; Viz Ellerman and Lera Grunke for always having their pages in on time; Janet Murphy for lending a helping hand; Marc Ratner for his illustrations in the faculty section; Elizabeth Martin for her love and friendship for the past five years; Sara Hirshman for her moral support. To all those mentioned above and to the countless others who have in some way contributed to this publication . Thank you! (Hi Mom!)
